## What is the enthroning of Christ the King in our families?

It is the consecration of all our families and its members to Christ the King, by placing a statue or picture of the Sacred Heart of Jesus in a prominent place in our homes and conducting the daily family prayers in that room. Pope St. Pius X adopted as his maxim: "To restore all things in Christ." Pope Benedict XV exhorted all Catholic nations to seek peace and reconciliation in the Sacred Heart of Jesus. Pope Pius XI renewed this act of consecration at the close of the Jubilee Year of 1925, when instituting the Feast of Christ the King, and issued two encyclicals — one in 1928 and the other in 1932 — urging the necessity of reparation and love. He commanded that a solemn act of reparation be made to our Redeemer on the feast of the Sacred Heart each year, in all the churches of the world, "to make amends for our sins and to compensate for the violation of the rights of Christ, our Sovereign King and most loving Lord." The Enthronement is an efficacious means to bring about this renewal of faith and love. When nations, families, religious communities and individual souls dedicate themselves wholly to the Heart of Jesus, devote themselves to Him entirely, then will the declaration of the Heart of Jesus be realized: "I will reign despite Satan and his accomplices." The spread of the Enthronement in the families of so many countries, and the wonderful fruits it has produced everywhere, is proof that this work is destined by Divine Providence precisely as a remedy for our times.
