A Family Perspective by Bud Ozar

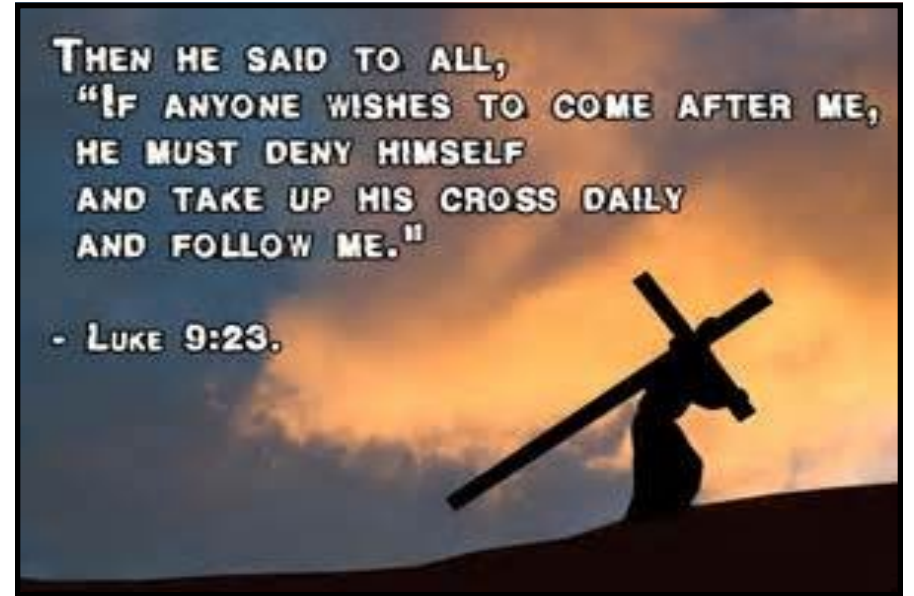

Today’s gospel teaches that personal sacrifice is the key to successful parenting. If you try to “save your life, you will lose it.” The more we give of our selves, the more rewarding is our relationship with our children. That’s the secret: the more you give, the more you get.

Extraordinary Jubilee of Mercy

“Jesus himself is the presence of the living God. God and man, God and the world, touch one another in Him. In His self-offering on the Cross, Jesus, as it were, brings all the sin of the world deep within the love of God and wipes it away. Accepting the Cross, entering into fellowship with Christ, means entering the realm of transformation and expiation.” ~ *Pope Benedict XVI, Jesus of Nazareth, Part Two: Holy Week: From the Entrance into Jerusalem to the Resurrection*

LORIE'S MUSIC NOTES

"In today's society, the word 'father' is a reality understood throughout the world and which transcends history. The word is the one which Jesus taught us to call God, giving new depth and richness to the mystery of the intimacy of God the Father, Son and Holy Spirit, which is the center of our Christian faith." -Pope Francis, Vatican City, Jan. 28, 2015 We celebrate all fathers today and thank them for all they have done for us.
