**Flood Relief**

As you know, West Virginia experienced massive flooding that has affected everyone in our state. There is an ongoing major relief effort to assist all of those directly impacted by the flooding. To date, most of the relief efforts have focused on damage assessment, gutting homes and businesses, and cleaning. In addition, there are massive donation drives occurring throughout the state and beyond. However, we have a long way to go in the recovery process. As we have discussed in the past, the Social Concerns Committee’s motto is *make a difference*. We, at St. Anthony, can *make a difference* by donating needed supplies for the relief effort and the families that were devastated by the flooding. What is needed? Pretty much everything - **drinking water, bleach, cleaning supplies, non-perishable food, diapers, sanitary products, clothing and many more.** Many of the flood victims have lost everything. The people of West Virginia are strong and resilient. Another great quality of West Virginians is that we come to each other’s aid. Please continue the relief effort and *make a difference* by donating needed supplies.

**Please note that a collection area has been established in the recessed space in the back of the church. We will continue to accept donations for the flood relief until further notice.**

## LORIE'S MUSIC NOTES

In today's gospel from Luke, we hear the familiar story of the Good Samaritan. Unlike the priest and the Levite, who ignored the man who had been attacked and beaten by robbers, the Samaritan was moved with pity and cared for the injured man. Our Offertory song was chosen to enhance this story of love and compassion. We have seen many examples of "Good Samaritans" in our community these past few weeks as we continue to deal with the aftermath of devastating flooding. Thanks and blessings to all who have given of their time, talents and treasures during this tragedy.
