Flood Relief

We have obtained updates from several people who are involved in the flood relief effort, including those in our Parish. The relief effort is ongoing and will need to continue to address the needs of the flood victims. Contributions from within our State and beyond have been tremendous. As in many donation drives, some donated items have been received in large quantities so that supplies are sufficient. With all that said, we still have a long journey left in the flood relief efforts. We will attempt to focus on the items that are most in need through periodic announcements in the bulletin. **At this time, non-perishable food, cleaning supplies and hygiene items are in great need.** Of course, if you have other items (with the exception clothing), please do not hesitate to bring them in as well. We will work with Catholic Charities or other organizations to ensure the donated items are reaching those in need (flood victims or others in need).

Thank you for all you have donated to-date. Please continue the relief effort and *Make a Difference* by donating needed supplies.

Please note the collection area that has been established in the recessed space in the back of the church.

LORIE'S MUSIC NOTES

In today's Gospel from Luke, we hear the familiar story of Martha and Mary. It poses the question: Is it better to cook (minister through service) or to sit and listen (minister through hearing and understanding someone's story)? Both are important, but Jesus tells Martha that by listening, Mary chose the better path. Our Entrance song reinforces this message. "As we gather at your table, as we listen to your Word..."
